Now is the time to rid your property of unwanted clutter, junk, debris, and useless collections of scrap easily and quickly. Clear your yard, house, and garage, and help cleanup your neighborhood at the same time.

**DO NOT BRING: TIRES, BOATS, GARBAGE, PAINT, OIL, SOLVENTS, ANTIFREEZE OR CHEMICALS OF ANY KIND.** You will be asked to take these items back home with you.

Equipment will be available to assist in unloading large items, but this is a **volunteer**, community effort. Your help and cooperation are needed and will be greatly appreciated. **Be prepared to lift or throw items over the sides of the containers.**

**Keeping inoperable, unlicensed and/or junk motor vehicles outside of an enclosed building is a violation of The Bath Township Zoning Resolution.**
